# Used Cooking Oil Containment Tanks

Baker Commodities used cooking oil containment tanks allow you to safely store and dispose of used cooking oil. We carry two models, ideal for medium and large volume customers. Both the 3072-NA and 3080-NA models work with used cooking oil transport caddies and pump stations.

### Features

- Heavy gauge stainless steel exterior
- Free standing
- 1500 lb -1875 lb capacity
- Control panel with power induction
- Level indicators with safety overflow protection
- UL, UL Sanitation (NSF) Listed (US & Canada)
- Suitable for Direct-Plumbed, Remote-Plumbed or Caddy systems
- Easy to access and service components
- One year warranty on all parts and components

### Benefits

- Minimal or no handling of hot used cooking oil
- Insurance and Workman’s Comp savings
- Less employee downtime
- Labor savings and greater employee safety
- Cleaner grounds and image
- Waste oil of higher value to collection companies
- Avoid possible pollution fines
